

Product Information

2-phenyl-3-methyl-Quinoxaline

Item No. 11057

CAS Registry No.: 10130-23-1
Formal Name: 2-methyl-3-phenyl-quinoxaline
Synonym: NSC 405266
MF: C₁₅H₁₂N₂
FW: 220.3
Purity: ≥97%
Stability: ≥2 years at -20°C
Supplied as: A crystalline solid
UV/Vis.: λ_{max}: 240, 324 nm

Laboratory Procedures

For long term storage, we suggest that 2-phenyl-3-methyl-quinoxaline be stored as supplied at -20°C. It should be stable for at least two years.

2-phenyl-3-methyl-Quinoxaline is supplied as a crystalline solid. A stock solution may be made by dissolving the 2-phenyl-3-methyl-quinoxaline in the solvent of choice. 2-phenyl-3-methyl-Quinoxaline is soluble in organic solvents such as ethanol, DMSO, and dimethyl formamide, which should be purged with an inert gas. The solubility of 2-phenyl-3-methyl-quinoxaline in these solvents is approximately 25 mg/ml.

2-phenyl-3-methyl-Quinoxaline is sparingly soluble in aqueous buffers. For maximum solubility in aqueous buffers, 2-phenyl-3-methyl-quinoxaline should first be dissolved in DMSO and then diluted with the aqueous buffer of choice. 2-phenyl-3-methyl-Quinoxaline has a solubility of approximately 0.1 mg/ml in a 1:10 solution of DMSO:PBS (pH 7.2) using this method. We do not recommend storing the aqueous solution for more than one day.

2-phenyl-3-methyl-Quinoxaline is a synthetic intermediate useful for pharmaceutical synthesis.

WARNING: THIS PRODUCT IS FOR LABORATORY RESEARCH ONLY: NOT FOR ADMINISTRATION TO HUMANS. NOT FOR HUMAN OR VETERINARY DIAGNOSTIC OR THERAPEUTIC USE.

MATERIAL SAFETY DATA

This material should be considered hazardous until information to the contrary becomes available. Do not ingest, swallow, or inhale. Do not get in eyes, on skin, or on clothing. Wash thoroughly after handling. This information contains some, but not all, of the information required for the safe and proper use of this material. Before use, the user must review the complete Material Safety Data Sheet, which has been sent via email to your institution.

WARRANTY AND LIMITATION OF REMEDY

Cayman Chemical Company makes **no warranty or guarantee** of any kind, whether written or oral, expressed or implied, including without limitation, any warranty of fitness for a particular purpose, suitability and merchantability, which extends beyond the description of the chemicals hereof. Cayman warrants only to the original customer that the material will meet our specifications at the time of delivery.

Cayman will carry out its delivery obligations with due care and skill. Thus, in no event will Cayman have any obligation or liability, whether in tort (including negligence) or in contract, for any direct, indirect, incidental or consequential damages, even if Cayman is informed about their possible existence.

This limitation of liability does not apply in the case of intentional acts or negligence of Cayman, its directors or its employees.

Buyer's **exclusive remedy** and Cayman's sole liability hereunder shall be limited to a **refund** of the purchase price, or at Cayman's option, the **replacement**, at no cost to Buyer, of all material that does not meet our specifications.

Said refund or replacement is conditioned on Buyer giving written notice to Cayman within thirty (30) days after arrival of the material at its destination. Failure of Buyer to give said notice within thirty (30) days shall constitute a waiver by Buyer of all claims hereunder with respect to said material.

For further details, please refer to our Warranty and Limitation of Remedy located on our website and in our catalog.
